Notes and Decisions

Re:-- Extension of tender no. 4 of destruction of old policy records

We have floated tender no. 4 for destruction of old policy records lying at RMF centre on 11.12.2024 for total 262129 policy dockets record. Tender period was 11.12.2024 to 20.12.2024.

We made follow up with vendors who have successfully completed above work in past. Out of them we have received only 1 tenders from vendors till 20.12.2024. We also tried to search labour contractors through just dial but no vendors have shown their interest.

In view of above, we may extend tender period for more 15days i.e. up to 06.01.2025 to invite more tenders.
