

**L-42- Valuation Basis (Group Business )**  
**Chapter on Valuation Basis**

**a. How the policy data needed for valuation is accessed**

The data is extracted by the branch offices using the extraction software programs given by the Central Office. The extracted data is submitted by the branches to Central Offices through the Zonal Offices.

**b. How the valuation bases are supplied to the system**

This is done by making changes in the software programs directly at Central Office.
