NOTES AND DECISION

Re : Extension for vendors' empanelment process for the period 2024-2027

We have started the process of empanelment of vendors for various 53 categories as the old list of vendors is valid up to 31.03.2024. Till date i.e. on 17.01.2024 we have received only 43 applications from various vendors. The last date is 18.01.2024. Now we have to extend the period of the applications for one more month i.e. as up to 18.02.2024. We also propose to give extension for the previous panel list(i.e. 01.04.2021 to 31.03.2024) up to the date the new process complete.

We also give advertisement for extension in newspapers i.e. Gujrat samachar kheda anand edition and Divya Bhashkar Panchmahal edition.

Submit for approval.
